MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski,
20 December 1977

25X1

[REDACTED]

2. Delivered the papers on NIE 11-3/8. Brzezinski suggested that I give a copy to Vance as well as to Brown.

Showed the paper on CIA contacts along the President's travel route. He preferred not to keep that one.

4. Discussed the Executive Order. Indicated the Attorney General and Bob Lipshutz are trying to rewrite it to make it less legalistic. He had some hope of getting it out today.

5. Discussed Brzezinski's visit to the Agency and the fact the President had mentioned to me that he would like to come out and participate in this dialogue with our top 200 people. The idea was they would both do it and the President might leave early and then Brzezinski stay on for more questions and discussion. I suggested a date in mid-January. Brzezinski thought January was too busy for the President with the State of the Union, the budget submission, etc. Maybe in February. Perhaps also Brzezinski could come out one time and the President another.

6. Discussed whether we or the SCC should furnish info to the IOB on covert and clandestine activities that are approved by the SCC. Brzezinski questioned whether they needed to know this or just be informed of the things where there was an infraction. He was inclined to agree that the briefing should be done in any event by the SCC, but wanted to wait until Farmer made a formal approach.
